

Swissveg Membership

[1]

I support the important work of Swissveg and therefore strengthen the vegan movement within Switzerland.

My membership helps Swissveg raise awareness of the advantages of a plant-based lifestyle in regards of animals, the environment and our health. Swissveg members benefit from discounts at many companies that also support the vegan movement: [Swissveg-Card](#) [2].

I hereby confirm that I live vegetarian or vegan and want to support Swissveg as a member. (non-vegetarians may support us as [patrons](#) [3])

Support Swissveg at your company, too: [Company membership](#) [4].
